

CHARDONNAY

SONOMA COUNTY

2021

NUMBERS

pH: 3.12

TA: 6.55 g/L

Alcohol 12.9%

Bottled: Feb. 1, 2022

Cases: 1861

Camp was created in 2011 to showcase the quality and value of Sonoma County wine. We work with top growers in very high quality and responsibly farmed, though lesser known, vineyards throughout Sonoma County to produce delicious, approachable, and affordable wines. All wines undergo native yeast and bacteria primary and secondary fermentations without the use of commercial fermentation aids or additives.

The 2021 Camp Chardonnay is 83% Chardonnay, from the Lloyd Vineyard in Alexander Valley off of Soda Rock Road, 11% from our new planting of Chardonnay at the Vecino Vineyard in Potter Valley, 1% from Prior in Sonoma Valley, 2% from Lolonis in Redwood Valley, 1% from Brosseau in Chalone, 1% from Amaya Ridge in the Santa Cruz Mountains, and 1% Viognier from Morrison Ranch in Suisun Valley.

The various lots were fermented in a combination of stainless steel tanks and neutral french oak barrels, then racked to all older French oak barrels and left sur lies until the completion of the malolactic fermentation, and finally brought back to stainless for the complete blend and bottling.
