White Light white wine

fun, easy drinking, summery, light, &
affordable

Wine Style

Driven by Friulano, we are always striving for a fresh, acid-leaning, mineraly, saline/briny wine that is moderately aromatic and easy to enjoy.

Production

The pieces of this blend were all fermented in stainless steel tanks and the blend was assembled in pieces as the fermentations finished. Spontaneous fermentation, partial ML, no oak, and bottled early with a touch of residual CO₂.
