

CAMP

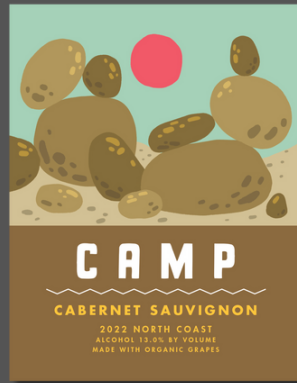

The Camp Wines, produced at our certified organic winery are unforced wines from honestly farmed vineyards and farmers who have been honing their trade for generations. The wines strike value while staying committed to the ethos that the The Hobo Wine Company is founded on. Each wine showcases the inherent quality of grape growing and the ideal climates in Sonoma and Mendocino counties.

These low-input wines are stylistically lighter with more tension and lower alcohol making them versatile across a wide variety of foods and cuisines. -always accessible at affordable prices.
