

GAINNEY VINEYARD

GAINNEY VINEYARD

- The Gainney family has the unique advantage of owning vineyards in both the western and eastern sections of the Santa Ynez Valley.
- Within the Santa Ynez Valley, the Sta. Rita Hills AVA is situated in the most clearly delineated east-west transverse range along the Pacific Coast;
- This east-west orientation opens the western end of the valley to the Pacific Ocean, creating a cooler, marine-influenced climate.
- The Sta. Rita Hills AVA is on average 20° cooler than the Santa Ynez Valley AVA.
